As the parent/guardian of the above named student, I choose for my child to not participate in the Washington Comprehensive Assessment Program (WCAP SBA/MSP/HSPE). I choose for him/her to not participate in (check one):

- the entire SBA/MSP/HSPE
- the entire WAAS-Portfolio
- certain subtests: please specify: (ELA, reading, writing, math, science)
- End-of-Course Exam in Algebra, Geometry, Biology
- WELPA (WA English Language Proficiency Assessment) for ELL students

My reason for this decision is:

I understand that:

- If my child does not pass the SBA ELA or High School Proficiency Exam in Reading and Writing (or an approved alternative), my child will not be able to obtain a high school diploma.
- Class of 2013 and 2014
  - If my child does not pass one of the Math End-of-Course Exams (or an approved alternative), my child will not be able to obtain a high school diploma.
- Class of 2015 and younger
  - If my child does not pass one of the Math End-of-Course Exams and Biology (or an approved alternative), my child will not be able to obtain a high school diploma.
- Practice on the WCAP SBA/MSP/HSPE at younger grades can help students show their best performance on the Smarter Balanced/High School Proficiency Exam.
